*Your Small Business Resource*  
Every day, the U.S. Small Business Administration and its nationwide network of partners help millions of potential and current small business owners start, grow and succeed.

Resources and programs targeting small businesses provide an advantage necessary to help small businesses effectively compete in the marketplace and strengthen the overall U.S. economy.

SBA offers help in the following areas:

- Starting a Business
- Financing a Business
- Growing a Business
- Opportunities in Contracting
- Recovering From Disaster
- A Voice for Small Business in Government

Visit SBA online at [www.sba.gov](http://www.sba.gov) for 24/7 access to small business news, information and training for entrepreneurs.

*All SBA programs and services are provided on a nondiscriminatory basis.*

In this workshop, you will learn about specifics of SBA loan programs from small loans for the home-based businesses to multi-million dollar real estate and manufacturing transactions. If you want to apply for an SBA loan, this workshop is a must: it will provide you with the tools and information that you will need for a successful loan application. During the Q&A portion of the workshop, you will have the opportunity to speak directly to an SBA lending officer.
